Description

A very fine and attractive bon bon basket, fully hallmarked for James Dixon & Sons, Sheffield, 1893. The basket boasts a wonderful pierced foliate design with flowers to the border and base. The base shows some losses to the silver at each side; the losses appear to be deliberate in their placement and arched form, thus it appears to be a later deliberate alteration to the design (please see photographs). Overall the basket is in a good condition, very striking and attractive. Dimensions:- Length: 17.5cm Width: 13.75 Height (at highest point): 6.5cm Weight: 154 grams DELIVERY: UK Mainland: £4.00 International Delivery: Please contact us for a no obligation delivery quote.
