Silver chatelaine magnifying glass

Price

Sold**Item Reference: SA783532****Date of manufacture: Edwardian**

Description

This is a most unusual silver magnifying glass most likely for a chatelaine. It has a lovely birds head at the top. Fully marked to the reverse, but very small! Adie & Lovekin Ltd 1910-23, Birmingham. Date letter is an M so could be the slightly earlier victorian mark. It is also patented. L 6.3 cm
