Description

Beautiful condition, professionally serviced with a 12 month warranty. This is a very fine and exquisite example of a ladies wristwatch made by the world renowned premier Swiss maker Longines. It has a platinum case surrounded by diamonds and then more diamonds to the the most beautifully designed articulated shoulders, very much Art Deco in design. As you would expect from Longines the diamonds are bright, crisp and evenly matched and has approximately 1.5cts of diamonds. The diamond section with shoulders is 70mm long. It has its original sprung link platinum bracelet which is quite rare. The case is 11mm wide excluding the winding crown. It is quite stunning with a white dial which is in perfect condition and peacock blue steel hands. A new glass has been fitted and it has been cleaned and polished so it is absolutely pristine. The case is 11mm wide and it will fit a maximum wrist size of up to 6.75 inches or 173mm . The manual winding movement is an absolute gem, sparkling clean and in like new condition. As you would expect from Longines the watch is fully marked on the dial and movement. It comes complete with a premium quality presentation box to keep...
