Description

An elegant plant stand from around the turn of the last century, circa 1900. It is in very tidy condition with minimal signs of its age. The inlays are all in place and the colour is good. The inlaid legs are supported by cross stretchers and a rather nice turned platform sits in the middle of them. A good item at a most reasonable price. The sizes below are maximums, the top is 30.5 cms square.
