Description

An impressive 50 cm tall this original 1930's Art Deco chrome table lamp and features a semi nude lady holding aloft a marble effect large glass globe. She is in beautiful condition with hardly any visible wear to the chrome of her body , there is signs of wear to the base which has lost it's chrome lustre but for it's 90 odd years to be expected. The detailing and craftsmanship is wonderful and at every angle either switched on or off she looks amazing. The glass shade is also original and is without damage. This lamp is much taller than most lamps and so makes an impressive piece in situ. Looks attractive both lit and switched off. FREE UK DELIVERY
