Description

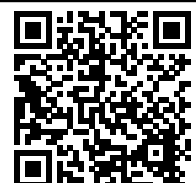

Circa 1900-1920 a pair of good weight brass column candlesticks with fine decorative details throughout. They measure 15cm in height, the bases are 10cm square and the ornate top is 5cm square and they take 2.5cm in diameter candles. The candlesticks have fine details around the candle cups, at the top of the columns and around the edges of the bases - not shown clearly in the images, but sharp and crisp in reality. Both have been professionally polished but not lacquered and are in good condition with no signs of damage or repair. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad, please contact us for a delivery quote.
