Description

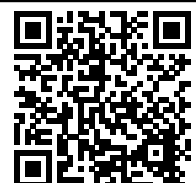

A lovely antique William IV side table, beautifully made from rosewood. This dates from around the 1830-1840 period. It is of extremely fine quality, the frame is beautifully carved from solid rosewood and has an extremely elegant design. This has a lovely stretchered base with a central finial, and fine carving on all sides. The rosewood on the top is particularly striking with wonderful grain patterns. The legs are octagonal & taper down very gracefully. There are carved rosettes on three of the sides & a brass one on the front or the back. We have had this recently French polished, it is in excellent condition for its age. Width – 22 inches , 56 cm Depth – 18 inches , 46 cm Height – 29 inches , 74 cm
