Description

A carved occasional table from early 1900s. This is likely to be a Japanese import almost certainly destined for sale by Liberty's. Early in the 1900s it was quite fashionable to have some Japanese influence in one's home, Liberty aimed to help fulfil and probably influence that fashion and imported items. This table is very likely to be one of those imports. It is in good condition and has crisp carving and a clean ebonised finish. Quite a talking point at a sensible price perhaps very cheap with that sort of history. Could be a good investment perhaps. Give us a call if you would like to discuss 01565874075
