Description

Impressive large black marble mantel clock by Japy Freres ~~~ original condition throughout ~~~ This is a beautiful condition mantel clock by the famous French clockmaker Japy Freres. The case is most unique made of black marble and the design of Greek mythology. It has a dome top, corinthium columns to each side and a pewter panel on the front depicting mythical figures. As you would expect from Japy Freres it has a fine high grade French movement which is fully marked. It is totally original and has just been serviced by Alan Williams of Plymouth Clocks, a Fellow of the British Horological Institute, so is in tip top condition and should give trouble free service for many years to come. It comes with its original pendulum and a key. It runs for over 8 days between winding and strikes on the hour and half hour on a coiled gong. This clock dates from about 1880 and has obviously been highly prized and looked after, the condition is a credit to its previous owners with only a chip to the rear of the clock which is photographed but this in no way detracts from the piece. It is incredibly heavy! The clock movement comes with a full 12 month warranty. If you wou...
