Description

A fine example of an antique solid silver twin handled bowl with 16 short edges giving a lovely ribbed detail to the interior. It has a pretty engraved rim and scrolling handles. It is stylish and good quality and weighs approximately 143g. It is hallmarked for Birmingham, 1928. The maker's mark is slightly worn so I can't quite make it out. It is in good condition for its age. There is a small dink on the rim of the foot (see photo) and a few surface scratches on the interior of the bowl but otherwise no major damages and it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK delivery £6, rest of the world £20
