Description

A good example of a set of 6 antique butter knives with sterling silver handles. They are good quality pieces with pretty detail on the handles. They measure approximately 6 3/4" (17cm) long. Each piece is fully hallmarked for C W Fletcher & Son Ltd, Sheffield, 1917. They are in good condition with clear hallmarks. There are no major damages and the set displays beautifully. There are signs of age and use, some faint surface marks, light scratches on the blades and some minor dinks on the handles but nothing detrimental. They have been gently cleaned and polished and are ready for use. The set comes in its original fitted box with a velvet and silk interior. The box is in good condition with some minor staining to the silk lid and some light scuffs and marks around the edges. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK delivery £5, rest of the world £25.
