Description

This is a very fine example of a gents wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 2.565 manual wind movement. The dial is in mint condition having been fully restored. As you would expect the watch is fully marked on the dial, movement and case. The watch case measures 31mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Omega collectors. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean room environment. The movement is then checked and adjusted for accurate time keeping. The cases are polished and sealed. Obviously this is not a cheap or quick process which is why ...
