Description

A gorgeous antique kidney shaped desk in mahogany, with an inset leather writing surface. This dates from around the 1900-1920's period. It is of amazing quality and has a wonderful design. The flame mahogany veneers are beautiful, the colour is lovely and this has a lovely patina. There are tapered legs terminating in spade feet, and intricate brass handles of excellent quality. The drawers are all solid oak lined, with fine dovetailed joints. The leather top is also of fine quality, it's gold tooled around the edges, and has been hand coloured and revived by our restorer. The wood has also all been re-polished, this is in excellent condition for its age. Width - 42 inches, 107 cm Depth - 22 inches, 56 cm Height - 30 inches, 75 cm Knee height - 23 inches, 59 cm
