Description

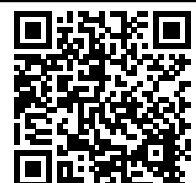

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct white gold case and bracelet set with approx 3.5 cts of top quality graduated diamonds which simply glides around the wrist. These are the best diamonds we have seen on any watch. It has the unusual backwinding calibre 640 movement which means it will not get tangled in fibres. The silver dial is quite superb. It fits a wrist size of up to 168mm. The case measures 16mm in diameter. The case and bracelet have been professionally cleaned and polished so it is absolutely pristine. As you would expect from Omega the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class and really is a talking point. Overall this watch is in beautiful condition and looks as if it was hardly ever worn, it would certainly make a perfect gift. It comes with its original box. The watch has just been fully overhauled and serviced and is guaranteed to be a genuine Omega in all respects. This watch has been fully and pro...
