Description

The shaped white marble chamfered top of this antique French table is raised on tapering reeded supports united by x frame stretch with a decorative urn finial and acanthus leaf detailing. The ebonized base of this antique table is decorated throughout with gilding and beading. The condition is very good, the marble is also in good order, there are a couple of minor marks but these are not detrimental and are not easily detected. This is wonderfully elegant, decorative and practical 19th century French table with excellent proportions and would compliment any room. c. 1880 Width: 36.5" 93 cm Depth: 18" 46 cm Height: 35.5" 90 cm
