Description

A dainty 19th century ring in 15-carat gold set with 2 natural turquoise cabochons, and a central daisy-head cluster of six natural pearls of varying shades surrounding a twinkly high-domed rose-cut diamond. The back conceals a tiny glass locket panel which contains tightly-woven hair. A sentimental gift for a loved one, a pretty engagement ring or just an everyday gift to yourself! Overall in very good condition for its age; glue is visible around the pearls when seen under magnification. Size: M and a half (UK), 6.5 (US). The gem-set section of the ring measures 1.5cm straight across, 7mm north-south. The shank is 1mm at the back, tapering to around 3mm at the shoulders. Weight: 1.7g. FREE INTERNATIONAL SHIPPING!
