Description

George II period 'red walnut' chest on chest of fine quality and rich patina; both parts with fluted and canted fore-corners; the upper with three small and three long drawers, the lower with two short and two long drawers, all with oak linings and original brass handles and escutcheons. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November.
