Description

Late 19th or early 20th century oak reading, artist's or musician's table; the narrow top with a central hinged book flat, on end supports with paired turned legs. The legs made to lift out/lock in, suggesting this was a travelling desk for an artist or musician. A quirky item! John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times - we hold an Open Weekend every November.
