Description

A small antique oil painting of a countryside landscape, in a stunning gilt wood frame. This dates from the 19th century. It appears to be unsigned, but is beautifully executed. It is in very good condition, with just some light surface wear. The frame is also of superb quality, and in lovely condition with no major damage. This has an antique label still on the back from the retailer, it is written in German, so this was most likely done by a German artist.
