Description

A 19th century Chinese hardwood circular 'Opium' table with a figured panelled top on a carved frieze on legs with claw and ball feet; united by a cross stretcher. Circa 2nd half 19th century. This is an exceptionally large example; made in China for the European market. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November.
