Description

Good pair of early 19th century Regency period mahogany sabre leg dining or hand chairs. This pair of chairs are made from the best quality mahogany and are a classical Regency design. I love the original canework seats which are both in perfect condition. The chairs come with their original upholstered seat pads but personally I think they look better without them. The chairs are in very good condition with no repairs and no damage. Original colour and finish, they have just been waxed. SIZE; 18" across the fronts by 17" deep by 34" high overall. Seat height is 19 1/2" CIRCA; 1810
