Description

Impressive 1930s modernist clock by CYMA. Fully serviced by our horologist and in excellent working order, keeping good time. This really is a deceptively heavy clock with a solid brass case which is chromed, added with thick plate glass over 1 cm thick. The quality of this clock is obvious in all aspects. Eight day movement. Condition is excellent, however there is tarnishing/ chrome loss to parts of the casing and mild surface scratches.
