Description

Circa 1900-1910 a pair of finely decorative brass candlesticks with superb details throughout. They are 23cm in height, the bases are approximately 11cm square with four leaf shaped feet, and the candle cups are 6.5cm in diameter and take 2cm candles. Each one weighs approximately 1kgs and both have been professionally polished but not lacquered and in very good condition. They look as if they came from the William Tonks & Sons foundry but we cannot find a trade mark. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad, please contact us for a delivery quote.
