Description

Good smallish size Victorian carved giltwood wall mirror. Slightly oval shaped mirror with rope design swags to the top and original candle sconces to the base. The candle sconces are also carved wood. The plate looks to be the original one to me. The gilding is all original and in pretty good order. Lovely decorative mirror, would look great in a vestibule or small hallway. SIZE; 14" wide by 26" high overall. Plate size is 11" wide by 12" high. CIRCA; 1860 - 1880
