Description

For your consideration is this super stylish Art Deco chrome and green bakelite desk clock by the English clockmakers Smiths, dates to the 1930's. These size desk clocks are often only 30 hour so this is a nice find to have an 8 day movement. The body of the clock is chrome cased with a panel of green bakelite accents either side. Condition is very good, some mild signs of age to the chrome but nothing too unsightly. The movement has been serviced and so the clock works well and keeps good time. FREE UK DELIVERY
