Description

Superb 1930's Art deco Walnut wacky shaped display cabinet. Lovely veneers to this cabinet being slightly more detailed than the average. Very unusual shape and very indicative of this great bygone era. There are two glass internal shelves and also the base of the cabinet displays well too. Original backing which is in a mint green floral pattern and colouring. The base is most unusual having a pull out drawer and raised on a quarter circle plinth. Comes to you in excellent condition.
