Description

LONGINES name has been synonymous with high-end Swiss watches ever since 1832. With its elegant styling and precision Swiss engineering, this classic vintage timepiece is an exclusive and elegant piece of functional jewellery that can be worn and enjoyed for many years to come. For your consideration is this very distinctive 46mm extra-long, curved case Longines gents watch which is two-part 10k yellow gold-filled. Inside the watch reads CASED AND TIME IN U.S.A. BY LONGINES, STAR WATCH CASE COMPANY, 10KT. GOLD FILLED. Plus the case serial number. This watch is powered by a high-grade Swiss-made LONGINES 9L hand-wound mechanical movement with solid gold castings for many of its 17 jewels. This is a good quality Swiss movement and its serial number 5416918 stamped on the barrel bridge shows this watch was made 85 years ago in 1936. SIZE 20mm wide excluding crown x 46mm total length. Width: 20mm excluding the crown. Length: 34mm without the lugs; 46mm total including lugs. Thickness: 8mm including crystal. Face/dial: 14mm x 28mm. Strap: Extra long, 14mm wide at the lugs, tapering to 12mm at the buckle. Should fit a wrist size of between 160mm and 195mm. This watch is perfec...
