Description

Fine quality early C19th Regency period rosewood and gilt brass-mounted chiffonier. Figured rosewood 2-door side cabinet or chiffonier with raised shelf back. The doors fitted with elliptical interwoven brass grilles against figured rosewood panels. The edges of the door panels with decorative and well-cast gilded brass mouldings of lappet or 'lambs-tongue' design. The shaped stile uprights with a gilt-brass acanthus leaf mount to the 'shoulders'. The panel reserves to the stiles below with patinated gilt-brass moulding and conforming gilded brass moulding to the base. Raised on the original turned feet with simulated faux rosewood graining and gilt-brass ring mounts. The shelved back raised on turned gilded brass architectural column supports, and the back edge of the shelf with a pierced 'gothic' arch or lancet design gilt-brass three-quarter gallery. The back-board upstand support inset with a rectangular panel. The doors enclosing a single rosewood veneer faced edge shelf on adjustable 'ladder-rack' slots. The interior reverse face of the doors decorated in faux rosewood grained decoration. In excellent original condition throughout with a rich colour ...
