Description

Pair of massive Rococo gilt bronze candlesticks, English or German, probably late 18th century. Heavy cast 13,3/4", each weighing over 2965grams Exceptional quality hand finishing throughout. The three fold rococo symmetry with three different flora features including oak leaves with acorns. Dark patinated bronze with light gilt highlights. The fixed candle sockets suggest these were bases of candelabra. Great candlesticks or would make excellent table lamps.
