Description

Superb, high quality early to mid 19th century Continental Flame mahogany veneered storage cabinet of great size. As can be seen in the pictures, stunning mirror matched flame mahogany veneers all down the fronts. The whole piece is veneered on high quality Scandinavian pine. The cabinet has barley twist type mouldings down the sides with nicely turned legs to the base. Nice shape top with moulded decoration. The cabinet is fitted inside with all its original fully adjustable pine shelves. The cabinet has its original working lock to the door. It is a very good neat size. The condition is very good with virtually no veneer chips and it is a lovely colour with original finish. A very useful and gorgeous looking piece of carcass furniture. SIZE; 34" wide by 18" deep by 65" high. CIRCA; 1820 - 1840
