Description

Fabulous and original 1930's Art Deco display cabinet in Walnut with ebonised accents. These cabinets are highly sort after and becoming increasingly hard to source. The walnut veneers are a mid-tone colour with black ebonised borders. The cabinet itself features a generously sized interior display area for your collections with two deep glass shelves and the base to the cabinet acting as a 3rd shelf. Very desirable circular shape with linear astragal to the glass to the doors. The doors work very smoothly with original working lock & key. This cabinet is in tip top condition, having recently been professionally restored. UK DELIVERY £85, for EU and US please email with your postal / zip code for a quote.
