Description

Antique single silver watch chain and fob. The chain measures 28cm long including the T-bar and the clasp. The T-bar is a fairly modern replacement. The links on the longer chain are not hallmarked but have come back with positive results after being tested for silver. The chain also has a shorter chain attached, with lion silver marks, and a silver and enamel fob, GWR 25 Years First Aid Efficiency awarded in 1947 to Frank Everett. The front of the medal has a pale gold wash. Total weight of the chain and the fob is 35.2g.
