Description

A splendid art deco 18ct gold diamond panel cluster ring. The 25 diamonds make an impressive show creating a glimmer that can only be achieved by old cut stones. The ring dates back to the 1920s and the design is typical of the art deco era with its geometric and neat formation. An alluring piece of jewellery in excellent condition which could make a wonderful engagement or dress ring. A part of our antique diamond ring collection. SIZE N (US 6 ½)
