

SA78766

Kurdish Saddle-Bag-Face, Jaf Tribe, Kurdistan

Price

Sold**Item Reference: SA78766****Date of manufacture: 1880**

Description

A wonderful array of vegetable colours makes this saddle-bag face a very collectable item. Made by Jaf-Kurds around 1870, the concentric lozenges appear to disappear under the borders on all sides indicating that the weaver captured a small part of paradise! The side cords have been replaced and there is a small 'bite' out of the lower right corner with some lower outer border missing - otherwise very good condition. Size:

Internal Ref: JT13
