Description

Rare and unusual early 20th century African Yoruba tribal carved water buffalo thigh bone, c1910. The quality of the carving is very good and the bone is profusely decorated on all sides with traditional tribal figures, a tethered goat etc. Overall condition is good with only minor wear and rubbing. It has aged well with great colour/patina to the bone as it has aged. Please refer to the detailed photographs and feel free to contact me with any questions or if you would like to view the item. Size: 28cm tall / long x 9cm wide x 7cm deep . I will happily ship worldwide.
