Edwardian mahogany rocking chair

Price

Sold

Item Reference: SA788144

Date of manufacture: 1910

Description

We first came across this charming mahogany Edwardian rocking chair when we visited a client who was downsizing, its understated simple design had immediate appeal. The cut moquette upholstery is in lovely condition, of good colour and is in keeping with the period of the chair. Its very comfortable and supportive, perfect to relax in and unwind. A very attractive rocking chair. Measurements to follow
