Description

Large (90 cm tall) antique 19th century Tibetan statue of Buddha, c1890. This is an imposing piece with real presence and highly decorative. It is well carved with good form and composition. The detail to the features is fine and the original paint has weathered beautifully to give it a great colour. Overall condition is good with just the right amount of wear/ 'distress' to the paint and only a few very minor chips to the wood. All very much as you would expect from a piece of this age. Please refer to the detailed photographs and feel free to contact me with any questions or if you would like to view the item. Size: 90cm tall x 22cm wide x 22cm deep. Weight 3.7 kg. I will happily ship worldwide.
