Description

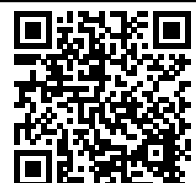

I have only ever had one other of these and it was silver over bronze; I was amazed to find this heavy solid silver example fully marked "925" on the underside and signed by the famous fashion house, "Gucci". Beautifully case with superb detail the handle is in the form of a Lion's paw, the silver mounted with an elegant modernist carved piece of Ebony wood. Dating to c.1960, it remains in superb condition having been professionally cleaned and polished in our silversmith's workshop, restoring it to its former glory. 10 1/4" in length x 1 1/4" x 3/4".
