Description

These beautiful primitive elm country chairs have great colour. The carvers are c1920, later made, to compliment the set but very hard to see the difference. The chairs are very solid, some old repairs/splits that would be expected with chairs this age but totally charming and useful. Armchairs 52.5 cm wide x 48cm deep x 82cm high. Singles 45cm wide x 48cm deep x 82cm high
