Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Omega Seamaster Oversize from 1967 with fully automatic calibre 564 certified chronometer grade movement. The original perfect silver starburst dial with date facility is just incredible, it has not been restored or retouched in any way. It has the rare original model 1069 bracelet and fits a wrist size of up to 7.5 inches. It can also be supplied with a leather strap if preferred. A new glass has been fitted and the case and bracelet have been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. The watch case measures 36.5mm in diameter not including the crown which makes this an oversize. Undoubtedly the best example we have seen in 20 years. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with...
