Description

Probably one of the best Farmhouse Refectory Tables I have ever seen. French in Origin dating to the later part of the 19th Century. I have never seen column supports carved like this before. The table is solid Oak and weighs a tonne, the top is 8.5 cm thick, again I have not seen a top this thick. The table has so much character and rustic charm its simply a one off. As I say all solid Oak which we have bleached for a fresh look. It comes apart for access into the home. This stunning table is offered for sale in excellent original condition and will be around for 100s of years to come! Length 225 cm Depth 84 cm Height 79 cm End Overhang 36 cm Top thickness 8.5 cm
