## Description

A Victorian Copper Warming Pan. A good early Victorian Copper Warming Pan with decoration of finely detailed flowers. Ready to hang. Bed warmers were a welcome comfort during northern European winters until the invention of hot water bottles in 1903. Filled with hot coals they were pushed under the bed clothes. Length: 130 cm Diameter of Pan: 20 cm Width of Pan: 10 cm Condition: Good. Small dents commensurate with age but no holes or splits. Strong handle. All of the items that we advertise for sale have been as accurately described as possible and are in excellent condition, unless otherwise stated. Please note that we are also able to arrange a full shipping service for our customers. We offer a 14 day returns policy. In the unlikely event that you are not completely satisfied with your purchase we will issue a full refund of the purchase price less the return transport costs with an approved courier once an item is received by us in the same condition as it was originally dispatched. We look forward to being of service.
