

SA789601

Double ended silver perfume bottle

Price

Sold**Item Reference: SA789601****Date of manufacture: Victorian**

Description

A really super heavily cut glass double ended perfume bottle with silver tops. One top screws on and has a cork in the top. The other end has a fully working spring closure. No chips to the glass nice sharp cutting. Floral decoration to the ends where some original gilding can be seen. Opens and closes very well. L 14 cm W 3 cm London 1886 makers mark George Brace
