Description

A stunning antique French style kidney shaped desk, dating from around the 1930's period. It is of fabulous quality, with a mahogany construction and contrasting veneers of mahogany, Kingwood and satin wood. There are fine gilt bronze mounts throughout and this has a beautiful pierced brass gallery around the top. The inset green leather top has gold tooled edges, and a couple of areas of pitting to the leather, seen in the images. We have recently had this French polished, it is in great condition for its age. Width – 40 inches , 102 cm Depth – 25 inches , 64 cm Height – 30 inches , 76 cm Knee height – 23 inches , 59 cm
