Description

Fine antique 19th century Russian triptych Icon, c1880. The Icon is beautifully cast in bronze and decorated in enamel depicting various religious scenes. There is a decorative top pediment with an original chain for hanging the icon. The colours of the enamel work are still wonderfully vibrant with bright blue, red, yellow and green colours. The bronze has aged well with great colour/patina. Overall condition is good with minor surface wear/markings exactly as you would expect from a piece of this age. Please refer to the detailed photographs and feel free to contact me with any questions or if you would like to view the item. Price includes FREE UK delivery. Size: 10cm tall x 11cm wide x 0.5cm deep/thick when the 3 panels are open. I will happily ship worldwide.
