Description

Circa 1920 - an oak tankard by Mappin & Webb with a silver plated bands, handle and shield on the front. The tankard measures 14cm in height, 18cm at the widest part and the top is 8cm in diameter, the base is 10.5cm in diameter. The Mappin & Webb trade mark is just under the handle and clearly reads: Mappin & Webb Princess Plate London & Sheffield then a triangle arch above with the mark Triple Deposit. The tankard is in very good condition with no signs of damage, the plating is slightly worn in a few places but mostly around the edges of the bands and shield - the price reflects this. Postage and packing is included in the price for the UK mainland and for remote areas or abroad please contact us for a delivery quote.
