Description

Pair of original Swedish Art Deco Satin Birch armchairs, that have just come over from Sweden, been re-polished & re-upholstered in our regular cream natural cotton fabric. We have been waiting for ages for this next batch of Art Deco armchairs to come over, because the last ones all sold a while ago. Five pairs, all slightly different are now here & two of them are already on our main site. There are three more not upholstered yet, so if anyone wants a pair upholstered in their own fabric, that can be arranged & they should cost much the same as these ones. This particular pair have square backs, satin birch arms & legs, with fully sprung seats. They are very stylish, in excellent condition & date to around the 1930's. Width – 26 inches, 66 cm Depth – 29 inches, 74 cm Height – 30 inches, 76 cm Seat height – 15 inches, 38 cm
