## Description

Large Chinese bowl/censer, c1890. Not sure if it is bronze or brass but given the weight I think its bronze with a brass patination. It is a good size with lovely decoration depicting Chinese characters/script to the front and rear. The handles are nicely stylised as mythical creatures/Lion masks. Overall condition is in line with age and use with a few small marks and 'dings' but all very minor. Please refer to the detailed photographs and feel free to contact me if you would like to view the item or have any questions. Price includes FREE UK delivery. Size: 8cm tall x 17cm diameter.
