Sold

Item Reference: SA791303

Date of manufacture: 1920

Description

1920s Swiss full hunter pocket watch. The watch has a Swiss stem-winding movement which is working well. The movement is protected by an inner hinged cover. The watch measures 50.6mm diameter excluding the winding stem and the loop. The case is the gold filled and was made by the Star Watch Case Company, Ludington, Mich, U.S.A. The case has light surface marking from use and a small "ding" to the front cover but overall it is in nice condition for a 1920s piece. The winding crown pushes in to open the front cover. Inside, there is a glass lens which is in nice condition. The dial is in good condition and has blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes in a new presentation box.
