Description

A beautiful Art Deco chrome desk lamp dating from the early to mid 20th Century. It is a traditional 'bankers' style with an adjustable arm and long tubular shade. It has an on/off press switch in the base and has been rewired to modern standards. It is in working order and takes a standard bayonet bulb (bulb not included). It has also been PAT tested for electrical safety. The lamp stands approximately 12" (30cm) tall. The base is 6" (15cm) long and the shade is 8" (20cm) wide. It is in good condition for its age and there are no major damages. The chrome has tarnished slightly in places but it has been cleaned and gently polished and displays beautifully. Tracked UK delivery £15.
